Subject: Permit Equivalency for Portland Harbor

Davis and Becky,

On behalf of the Portland Harbor Pre-Remedial Design Agreement and Order on Consent Group (Pre-RD AOC Group), AECOM is requesting concurrence on our proposed permit equivalency approach for the Pre-Remedial Design Investigation (PDI) and Baseline Sampling. The field components of the proposed PDI studies are scheduled to occur between March 2018 and April 2019 within the Portland Harbor Superfund Site (River Mile [RM] 1.9 to 11.8), as well as the Downtown Reach (RM 11.8 to 16.6) and the Upriver Reach (RM 16.6 to 28.4), collectively called the "PDI Study Area."

The letter and supporting documentation that we discussed during the meeting on February 7 are attached.
